Dear IAP Delhi member

Getting eNewsletter in time 8th times in a row is not an easy task and IAP Delhi's Secretary Dr Shyam Meena is doing this consistently month after month and needs to be congratulated for the same.

IAP Delhi is doing lots of activities on day to day basis and it's responsibility of each member to participate in as many activities as possible. But the fact of the matter is that it's becoming increasingly difficult to cajole members to attend.

Please be more responsible and encourage the office bearers by your presence.

Thanks
