

IAP Delhi e-Digest

IAP Delhi State Publication

Respected Seniors & Dear Friends

It is great to connect with you all once again. February was an eventful month for IAP Delhi. we organised many activities specially related to **Anaemia Awareness and Anemia screening, protection of doctors against Medico Legal issues.** IAP Delhi also participated in activities organised by our branches specially West Delhi, East and North Delhi. **Online dIAP Platform Teaching program in Gastroenterology** was continued every Sunday Morning from 9 to 10 a.m. more than 200 Delegates are joining regularly to attend this Masterclasses.

Holi Milan was organised and colors and sweets are distributed to all the members.

We have lined up many Academic activities in starting with Monthly academic meeting on 19th March at Northern Railway Central Hospital, Basant Lane, New Delhi. We will be also starting with Master eclasses in nephrology from April 2026.

PCNI 2026 will be organised on **20th & 21st June.** In an historical event **HPV vaccination was launched by Honorable Prime Minister** on 28th February 2026. IAP will be coordinating with **Department of Family Welfare, Govt of Delhi** to spread the message to all eligible females in Delhi. we should also help parents register at the following will link <https://uwinregistration.mohfw.gov.in/login>

A run is being organised on 29th March to make people aware about obesity so I request all of you to please register for the same and join us

Jai IAP, Jai Hind

With Regards,

Dr Ajay K Gupta
President, IAP Delhi

Warm Greetings from IAP Delhi.

I am happy to share the **2nd Volume of the IAP Delhi e-Digest**, which highlights all the activities conducted under the banner of IAP Delhi during the month of February Friends, IAP Delhi is working tirelessly for its members, and many more academic and member-centric activities are planned in the coming month. I humbly invite you all to participate in our upcoming programs:

- **Monthly Clinical Meeting**
Thursday 19th March 2026
at Northern Railway Hospital
- **NZ Medico-Legal Symposium**
Sunday 22nd March 2026
- **Run for Obesity**
Sunday 29th March 2026

Your active participation will make these events more meaningful and successful. Friends, please feel free to share your valuable suggestions for future member-centric activities as well.

I am also pleased to inform you that IAP Delhi is bidding once again to host the Asia Pacific Pediatrics Conference 2030.

Further, IAP Delhi will be launching a new **Master e-Class on Pediatric Nephrology from 19th April.**

The Master e-Class series has become very popular and is widely appreciated across India. A large number of delegates from across the country join these sessions every Sunday at 9:00 AM.

Thank you all for your continued support and active participation.
Long Live IAP Delhi.

Warm regards,

Dr Dinesh K Goel
General Secretary

World Anemia Awareness Day

Date of Activity	Monday, 16 February, 2026
Partner Organisation/ Organizer	Indian Academy of Pediatrics Delhi in association with the Janki Devi Memorial College, New Delhi.
Venue	Janki Devi Memorial College, Rajendra Nagar, New Delhi
Theme	“Strong Blood for Strong Children & Strong India.”
Slogan	“Prevent, Screen, Treat Right & Track Response.”

Organized World Anemia Awareness Day program on Tuesday, 16th February 2026 at Janki Devi Memorial College, Rajendra Nagar, New Delhi. The Theme for this year’s observance was “Strong Blood for Strong Children & Strong India.” The campaign Slogan was “Prevent, Screen, Treat Right & Track Response.” The program aimed to increase awareness about anemia and emphasized the importance of prevention, early screening, appropriate Treatment, and monitoring the Response to Therapy. The initiative highlighted the role of pediatricians in addressing anemia as an important public health concern and improving overall health outcomes among adolescents and young adults. During the camp, a Total of **350 Students were screened for hemoglobin using a Hemoglobinometer**, and a significant number of Students were found to be Anemic. **Dr. Manas Kalra** delivered an informative and engaging Anemia Awareness talk for the students, focusing on early detection, prevention, and nutritional management of anemia. **Dr. Neeraj Gupta** for efficiently arranging all the logistics and ensuring the smooth conduct of the camp. Our Heartfelt Gratitude to **Dr. Pankaj Garg** for gracing the occasion with his Presence. We are especially Thankful to **Prof. Swati Pal ji** and **Prof. Deepak Rawat ji** for providing IAP Delhi the opportunity to organize this meaningful event on their campus. We are grateful to everyone who contributed to the success of this important Health awareness initiative.
